

上海松江污水处理厂

证明信

尊敬的美尚生化环境技术（上海）有限公司：

贵公司于 2010 年 5 月在上海松江污水处理厂安装和调试生物池工艺智能优化控制系统，运行 2 年以来，可以指导和帮助松江污水处理厂三期生物池生产运行。目前生物池智能控制系统运行稳定，达到预期目标，即达标排放和节能 10% 的运行效果。

特此表扬美尚生化所有工作人员在该项目中的大力支持和配合。

Shanghai Songjiang Wastewater Treatment Plant

April 22, 2013

To: BioChem Technology (Shanghai) Co., Ltd.

This document is to certify that Bioprocess Intelligent Optimization Control System, which were all provided by BioChem Technology (Shanghai) Co., Ltd., have been installed and operated in Shanghai Songjiang Wastewater Treatment Plant since May, 2010. During these two years, the BIOS system has been provided optimization process to operate Songjiang Wastewater Treatment Plant Phase III project. Currently the BIOS system runs in the stable operation. It has met the effluent standard, and operation energy saving is to reduce 10%.

Therefore, we would like to appreciate all the excellent work BioChem Technology has accomplished in this project and look forward to the further cooperation project in plant.

Sincerely,

Shanghai Songjiang Wastewater Treatment Plant
